------	------------------------------------	-------

6 Gallon Superpail Buckets

Add \$4.00

A heavy plastic bucket with a Mylar bag. The bag is filled with the product & oxygen absorber packets to remove oxygen. The bag is heat-sealed, then the bucket is sealed with a silicone ringed lid.

This bag protects the product from light, moisture and air.

Superpails and cans give the best storage protection.

Paper bags offer the least.
